Reference is made to recent telephone conversations between Mr. A. T. Lundahl and Cdr. W. W. Dootson of this Directorate with respect to an HTA briefing for selected Directorate of Targets personnel.

Enclosed is a list of names of persons all of whom possess TALENT clearances. This list consist of people whose assigned duties range over the following areas of responsibility; Staff planners, senior supervisors, programming and review personnel, and target analysts. As these people are newly briefed, the HTA briefing is considered an essential element in their indoctrination and training. Mr. Lundahl's excellent briefing has been previously given to other groups of Targets personnel, including the Director.

The date and time has been left open for scheduling at your convenience. We will await your reply in this respect. A telephone call to Cdr. Dootson or Mr. H. J. Mallon (Code 189, Ext 678 will suffice.
